Clear the Way!

→ Keep the access to building and room exits, emergency exits, aisles and controls unobstructed.

→ Do not block the safety shower and eyewash stations.

→ Place backpacks and coats in the closet (located near the lab room entrance) to eliminate clutter that can cause trips and falls.

A Husky Reminder:
Registration for Winter 2020 and Spring 2020 semester via Student Administration begins on Monday, October 28th.
